Ron, passing this as a heads-up....sounds like Mathy is expecting a report from OEM and/or the Region on Monday. Not sure if he passed that expectation on to Shawn.

I assume we can deal with this Monday morning since there's not a lot more to say. But if you hear or believe differently let me know.
Thanks, den.

Hey Den:

Just got off the phone with Dana T. Mathy has communicated with her a couple of times today and is definitely expecting information early on Monday on the matter discussed during the call yesterday afternoon.

You think we can look for some kind of summary explanation on Monday morning ?

As always, don't hesitate to call me if we should discuss.

Thanks,

Tito
